

# INVITATION

To all key players in adult social care

# Safeguarding Adults

The ADSS Older Peoples Committee and Safeguarding Adults network invite you to the launch of this important new document setting best practice in standards for the future development of adult protection work.

**1.30–2.30pm Dorset Room**  
**Wednesday 19th October 2005**

---

'It will be a valuable evaluative tool for comparing current practice against the procedures and examples in the document.'

*Kathryn Hudson, National Director for Social Care, Department of Health*

---

'We welcome the leadership from ADSS in producing this new good practice document... CSCI will look carefully at the implications of the document for our own work.'

*David Behan, Chief Inspector, Commission for Social Care Inspection*

---

'We are pleased to endorse the document and look forward to supporting practitioners in its implementation.'

*Glyn Jones, Chair, PAVA Practitioner Alliance against Abuse of Vulnerable Adults*
